#### Show Setting Term is here!

*Over this 6 Week Term our Teachers will be intensively choreographing over 30 new performance pieces, involving well over 100 individuals. During this time we ask every student to aim for 100% attendance. If you are absent from any showclasses for any reason, teachers will not be able to include you in any pieces of choreography that are set during the lesson you do not attend. Students who're taking part in the annual show must attend their Ballet Grade classes as well as their Showclasses. Maintaining attendance to Modern and Tap Grade classes is also preferred if possible.*

To book private lessons please ask at reception.
